

Northwestern's "Evening with the Arts" 2015

The Movies & The Music

April 29, 2015

6:30 PM

Come along with us to the Wonderful World of Disney as we celebrate over 75 years of Disney magic and music! We will be performing popular songs from Disney's hit movies, television shows and theme parks. Students in grades 3 through 5 have been learning the songs in music class and are invited to participate. The only requirement is *cooperative and productive behavior*. There will be some extra rehearsals held during the school day for participating students. These students will be responsible for making up any work they miss while they attend the rehearsals. A signed permission slip (below) is required for participation. Return the slip below by **Tuesday March 31st** if your child wishes to participate in this program. Rehearsals will begin after Spring Break.

Students participating in the concert will need to wear blue jeans or denim shorts/skirts with a plain, solid-colored shirt in one of these basic, primary colors: Red, Blue, Green, or Yellow. (Shirts should have no patterns, designs, decal, or writing on the front.) A reminder with information about this dress requirement and arrival time for the night of the concert will be sent home at a later date.

Student's name _____

Grade _____

My child would like to participate in "Disney: The Movies & The Music" on Wednesday April 29th and has my permission to attend the rehearsals to prepare for this performance.

Parent's signature: _____

Date _____

DUE TUESDAY, MARCH 31st
